Hannity & Colmes Wed 6/8/05 / duration 5:24 -

When I notified the Democratic Party about my situation I was living in Lexington, KY. Initially, I had no intention of contacting the Democratic Party and informing them of my situation; my focus was American Civil Liberties Union (ACLU) of Kentucky, which is located in Louisville, KY. I actually paid the Ms. Beth Wilson, the Executive Director of the ACLU for Kentucky, a visit. Due the time it took to prepare everything I was done with the base documentation, but I hadn't gotten together all of the attachments; however I did have enough evidence with me to substantiate what I was saying. My intent was to simply make Ms. Wilson's acquaintance and establish a connection; I had hoped to be able to return when I had everything together possibly towards the end of the week. Once I arrived at Ms. Wilson's office and did my best to explain the situation, her assistant was concerned and wanted to be helpful and hear what I had to say, but Ms. Wilson didn't care to hear what I had to say and basically kicked me out of her office. No sooner than I began the story, she asked me to leave and escorted me to her door. She said, "I see your hands are full ( I was carrying a box full of materials), let me get the door for you". I was very shaken up and tried to gather myself on what course of action to take. As I was driving back to Lexington, KY on route I-64 West, I was asked if someone could help me, and stated that I had a problem that I felt someone from the Democratic Party could help me with, I was referred to Ms. Kim Kearns. Unlike Ms. Wilson, Ms. Kearns gave me her time and listened to what I had to say. I gave her the package I prepared for Ms. Wilson along with a number of attachments, but unfortunately some of the attachments were omitted and there was no real organization, this the majority of attachments were in a shuffled order. She asked me what I wanted the Democratic Party to do, I told her I wanted them to forward the information to their national headquarters and go public with the information, to provide me and those individuals involved in this situation with a shield of protection. This took place on Monday June 6<sup>th</sup> of 2005. This segment happened on Wednesday June 8<sup>th</sup> of 2005. Mr. Dean immediately indirectly made it known to President Bush and the individuals responsible for my mother's murder that he was fully aware of it; even with incomplete and unorganized attachments. The Kentucky Democratic National Party didn't receive my organized and complete package until Friday June 10<sup>th</sup> of 2004.

**The Democrats that made statements on John Deans' comments:\***

Prominent Dems say Dean does not speak for them

Pelosi disagrees with Dean's statement on GOP

Sen.Biden: Dean has views slightly different than mine

Sen. Biden: Dean's rhetoric is counterproductive

New Mexico Governor Richardson: Dean is not Party's Spokesman

John Edwards: Dean is not spokesman for Party. Dean is voice within the Party.

\* - I believe a lot more individuals within The Democratic Party are aware of my plight, but these are the individuals I have proof of.
